## The Fellowship of Believers

*“They devoted themselves to the apostles teaching and to the fellowship, to the breaking of the bread and to prayer. Everyone was filled with awe, and many wonders and miraculous signs were done by the apostles. All the believers were together and had everything in common. Selling their possessions and goods, they gave to anyone as he had need... And the Lord added to their number daily those who were being saved.” Acts 2:42-27*

The Emmaus Community has often reminded me of the first church in Acts. From the songs we sing in “bearing each others’ load,” to watching teams work as one in unity, to the emphasis that is placed on Holy Communion those three days, it’s the church in motion. Because every individual makes a conscience decision to get out of the way, the Holy Spirit is allowed the credit He is due in the “many wonders and miraculous signs” we, the community, have the blessing to witness.

The summer teams are no exception in pulling together for God’s cause. In fact, they have gone above and beyond the call of duty and job description. Our community has been in “re-organizational mode” for a couple of months now. We are seeking God’s way in preparing for the weekends by making the process more streamline and efficient in the long run. This has not been an easy task. Though there are still holes to be plugged, I wanted to give you an update:

1. We now have an CM Emmaus Finance Committee. Ronald Swafford and Cobb Ware are chairing that committee as members of the board. Debbie Eifling has a seat as the Community Treasurer, and Robert Burford as a community member at large member. If you have questions regarding scholarship, these guys will be taking those requests.

2. James Milner is our Camp Wesley Pines liaison. If you have any questions regarding the camp, please contact James.

# Chrysalis Update

Summer is here! The excitement of being out of school for the summer, vacations, baseball games, summer camps...the list goes on...is being felt everywhere we go. If only we could get as excited about serving the Lord as we do about all the summer activities!

The teams have come together, most of the planning and leg work has been done to prepare for the upcoming flights and now the flights are upon us!

We ask that each of you pray daily for the caterpillars who will be attending both the girls' and boys' flights this summer. These weekends could be turning points in these young people's lives and we know how proud our Heavenly Father is of each of them.

As you are praying for them, please begin making plans to attend all the weekend's activities. They need to see and know how much we support and love them!

Fly with Christ,  
Jan King
