Central Mississippi Walk to Emmaus

Spring 2025

Happy 4th Day!

We have the Men's and Women's Walks coming up this week and later this month, and thankfully, the real work there has long been finished! Everything we truly need was finished on the cross when Jesus announced "Tetelestai." I've been listening to a series on meaningful words in the Bible and have learned that tetelestai in accounting means the debt is paid in full, in art means the artist's final stroke on the masterpiece, in employment means the servant completed the task, in law means justice has been served, and in religion means the sacrifice has been made. Isn't it just like God to use one simple word that we can all relate to, from so many different perspectives! Accountants, artists, business people, lawyers and priests rarely speak the same language, yet each clearly understood tetelestai in that time. Jesus never made the important things hard to understand. We find it hard to accept such a gift so freely given-sure, but the concept of "I already did it for you" is as simple as it gets! Please continue to be in prayer for the pilgrims and the team members on the upcoming walks that we all remember that the real work is already finished. It's been finished long before any of us came along, accepted His gift, or even heard of this incredible ministry we call Emmaus. Pray for open, receptive hearts and minds full of grace as we finalize the details of the weekend and join us in celebration that tetelestai indeed, at Send Off, Candlelight and Closing. We'd love to see you!
